

About Nextgen Solar

Nextgen Solar is one of the **established brands in Solar Energy Solutions** Space. Nextgen Solar was **established** by Vanita Dushing and Gokul Dushing **in 2008** with the aim to **deliver Sustainable, Affordable & Innovative Solar Energy Solutions**. We offer services **PAN India**. We carry **14+ years of experience** and has served **1200+ happy clients**.

We offer **Turn-Key Solutions, various Products and Services to Commercial Establishments, Industries, MSMEs, Hospitals, Builders, Temples, Societies, Bungalows and Agriculture Sector**. We provide all types of **solar solutions under one roof** and are also **Stockists for Solar raw materials**. We provide **Consultation, Designing, Installation, Commissioning and After Sales Services**.

Why Solar Energy Solutions?

- ☀ **90 % savings** in monthly electricity bills
- ☀ **Electric bike or car charging** unit consumption can be **switched to Solar** generated units
- ☀ Safe alternative to fossil fuels like coal and gas which produce air, water and land pollution
- ☀ **Be part of Nation's Pollution Free Energy Generation Movement** using sunlight as energy
- ☀ Contribute to **save ozone layer** to protect earth from sun's ultraviolet rays

Why Nextgen Solar?

- ☀ We offer **0% maintenance cost solutions**
- ☀ Best quality material at best price with **zero compromise on quality**
- ☀ Offer **3D drawings** before installation
- ☀ **24*7 after sales support** giving complete peace of mind
- ☀ **Weekly monitoring** of all projects which we have delivered
- ☀ Install **structures** that can **sustain wind speed up to 200 miles per hour**
- ☀ Registered member of **MSME & MASMA** and **GST Registered**
- ☀ 20+ Trained and Highly Skilled Staff
- ☀ We follow safety protocols and provide safety kits to site staff
- ☀ Use of **MNRE approved material**
- ☀ Strict adherence to project timelines
